SRI VIGNESH
College of Engineering and Technology

(APPROVED BY AICTE | AFFILIATED TO ANNA UNIVERSITY)
A Unit of Vignesh Group of Educational Institution

ABOUT US

Established in 2025, Sri Vignesh College of Engineering and Technology is a premier institution in Trichy, approved by AICTE and affiliated to Anna University. We are committed to fostering innovation, research and holistic development in a vibrant learning environment that prepares students to excel in a globally competitive world.

Vision

To lead in delivering sustainable technical education, inspiring students to innovate and act responsibly for a thriving, equitable world.

Mission

- Deliver high-quality technical programs through innovative, holistic, and effective teaching-learning practices.
- Foster cutting-edge research to develop technologies and knowledge that drive social progress and sustainability.
- Build strategic partnerships with industry to enhance education, research, and real-world impact.
- Equip students with technical expertise and entrepreneurial skills to excel in their careers and create opportunities.
- Cultivate skilled professionals who contribute to the nation's socio-economic growth and global advancement.

Quality Policy

The Institution is dedicated to achieving excellence by adhering to meticulous academic and operational standards to ensure continuous improvement in all facets of education that fosters student success and societal impact.
